VISION

Our vision at Pacific Oil and Logistics Limited is to maintain a professionally efficient workforce. Our company is committed to the supply of proficient technicians and activities in oil and gas projects.

HISTORY

Pacific Oil and Logistics Limited was registered as a company in 2021 in Nigeria and has grown from a modest beginning to become a major engineering contracting organization.

OUR COMPANY

Pacific Oil and Logistics Limited is basically an engineering organization structured to provide industries with the following services:

- Project support services
- Instrumentation and electrical
- Technical manpower

Pacific Oil and Logistics Limited has its operational base at 202, Odili Road, by JDP Roundabout

**PACIFIC OIL
& LOGISTICS LTD**

OUR EMPLOYEES

Pacific oil and logistics limited has in its employment teams of contract professionals committed to the precision work of our clients. We have assembled competent and experienced technicians/engineers to provide the technical and engineering expertise to achieve our client's vision.

Pacific oil and logistics limited has in her disposal qualified engineers and technicians in instrumentation jobs, electrical jobs, steel fabrication, qa/qc engineers and insulation engineers.

**PACIFIC OIL
& LOGISTICS LTD**

OUR EMPLOYEES

We have the following professional manpower as listed below to supply to companies in oil and gas projects:

- QA/AC ENGINEERS
- PRE-COMMISSIONING AND COMMISSIONING ENGINEERS
- ELECTRICAL ENGINEERS
- INSTRUMENTATION ENGINEERS
- INSTRUMENT TECHNICIANS/FOREMEN/ SUPERVISORS
- ELECTRICAL TECHNICIANS/FOREMEN/ SUPERVISORS
- MECHANICAL TECHNICIANS/ SUPERVISORS
- STEEL CARPENTERS
- ERECTORS
- CABLE TRAY FITTERS
- INSTRUMENT FITTERS
- SAFETY OFFICERS
- PTW CORDINATORS
- MAINTENANCE TECHNICIANS
- CALIBRATION TECHNICIANS
- INSTRUMENT TUBING FITTERS
- HVAC TECHNICIANS
- E&I PREPARATORS
- DESIGN ENGINEERS

CORPORATE CAPABILITIES

Provision of instrumentation and electrical engineering design, material procurement and supply, operatives skilled manpower and fabrication, installation, test and communication work system for: Pacific oil and logistics limited has in her disposal qualified engineers and technicians in instrumentation jobs, electrical jobs, steel fabrication, qa/qc engineers and insulation engineers.

- ENVIRONMENTAL UP-GRADE WORKS
- FLOW STATION – E&I
- OFFSHORE PLATFORMS – E&I
- WELL HEADS – E&I
- METERING STATIONS – E&I
- GAS STORAGE AND PRESSURE VESSELS – E&I
- GAS LIFE AND INJECTION LINE, ETC – E&I
- FACTORIES – E&I
- PUMP HOUSES – E&I
- INSTALLATION OF TRANSFORMERS AND HOOK UP
- RURAL ELECTRIFICATION
- MARINE SHIP, BOAT, ELECTRICAL MAINTENANCE WORK
- CONDUIT PIPING ON ELECTRICAL & INSTRUMENT CABLES
- EARTHING JOBS ON GAS PLANTS
- EXCAVATION, LAYING OF CABLES AND BACKFILLING
- INSTRUMENTATION AND ELECTRICAL WORKS
- SUPPLY OF TECHNICAL & ENGINEERING MANPOWER
- PRESSURE TESTING OF VESSEL & PIPE LINES
- INSTALLATION OF FLOODLIGHTS, FIXTURES
- HOUSE ELECTRIFICATION WORKS
- THUNDER ARRESTORS AND INSTALLATION WORKS
- FABRICATION OF INSTRUMENTS & ELECTRICAL SUPPORTS IN GAS PLANTS AND FLOWSTATION

OUR SERVICES

Pacific oil and logistics limited offers a broad range of technical and engineering services to assist industries from the conceptual phase of project development operations.

Our services include:

- ELECTRICAL ENGINEERING SERVICES
- INSTALLATIONS, HOOK-UPS, MAINTENANCE AND COMMISSIONING.
- POWER SYSTEMS
 - HIGH VOLTAGE AND LOW VOLTAGE, UNDERGROUND AND OVER HEAD TRANSMISSION AND DISTRIBUTION SYSTEMS.
 - INTERNAL ELECTRICAL SERVICES IN PUBLIC AND PRIVATE FACILITIES
 - INDUSTRIAL ELECTRICAL INSTALLATIONS IN OIL AND GAS FIELDS. STREET, PREMISES AND FLOOD LIGHTING SYSTEMS IN FLOW STATIONS AND PROJECT SITES
 - SUBSTATION

OUR SERVICES

PERSONNEL

Like all contracting organization, our manpower level varies directly proportional to contracts 'in hand' contracted work load. However, it is our organization's policy to call back our contract personnel, engineering and operative nucleus of highly skilled manpower when the need arises. Contract personnel dispositions-indigenous.

We supply major indigenous skilled workers to companies within and outside nigeria, offshore and onshore operations, indigenous skilled workers ranging from industrial electricians/instrument technicians and qa/qc personel.
